

Kratos Carbon Offset Green Gas

2021 CARBON OFFSET CONTENT LABEL

This carbon offset content label explains information about the greenhouse gas emissions reductions you are purchasing through Kratos Gas and Power Carbon Offset Green Gas. It is a simple, transparent way for you to be certain your purchase is resulting in real environmental benefits.

Project Type	Project Certification	Project Location	% of Product
Landfill Methane Capture Organic Waste Digestion Nitric Acid Forest Management	Climate Action Reserve Verra Gold Standard	US	100%
The emissions reductions supplied were created in:			2015 or earlier

The percentages listed are prospective. Actual figures may vary. For more information on how much they can vary see the Price, Terms and Conditions. Visit <http://www.ohio.kratosgpc.com> for a list of carbon offset projects.

This Carbon Offset Content Label is accompanying a multi-year purchase agreement. Please find more information about your purchase, the vintage years reported here and the delivery and verification of offsets in the terms and conditions of the agreement.

For further information or questions, please contact Kratos Gas and Power by email at hello@kratosgpc.com or

Climate

CERTIFIED

Green-e® **Climate** is an independent certification program for

greenhouse gas emissions reductions (carbon offsets) sold in the voluntary market. The Green-e Climate logo identifies carbon offsets that meet the program's high environmental and consumer protection standards. For more information on Green-e Climate certification requirements, visit www.green-e.org/climate or email climate@green-e.org.
